The Readers' Favorite International Book Award Contest featured thousands of contestants from over a dozen countries, ranging from new independent authors to NYT best-sellers and celebrities.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

We receive thousands of entries from all over the world. Because of these large submission numbers, we are able to break down our contest into 140+ genres, and each genre is judged separately, ensuring that books only compete against books of their same genre for a fairer and more accurate competition. We receive submissions from independent authors, small publishers, and publishing giants such as Random House, HarperCollins and Simon & Schuster, with contestants that range from the first-time, self-published author to New York Times bestsellers like J.A. Jance, James Rollins, and #1 best-selling author Daniel Silva, as well as celebrity authors like Jim Carrey (Bruce Almighty), Henry Winkler (Happy Days), and Eriq La Salle (E.R., Coming to America).

"When the right books are picked as winners we pay attention. We will be spreading the word about Readers' Favorite." --Karen A., Editor for Penguin Random House

### Jesus and Muhammad—their messages straight-up in a new 5-star book

*What did they teach, and how do their messages converge or diverge? Explore their core words, by topic and side-by-side.*

### AMAZON #1 NEW RELEASE IN ISLAMIC THEOLOGY.

CHEYENNE, Wyoming – Worldwide, Islam is the fastest growing religion, and Christianity is the largest. People want to make sense of these faiths. Now readers can compare Jesus and Muhammad’s messages and answer their questions.

“To avoid getting mired in scholarly interpretations, you go to the source of each faith. This book clears up misconceptions,” author Louis St Michael says.

The content speaks for itself:

- What Muslims and Christians learn about love, homosexuality, lifestyle. Persecution, retaliation, war and peace. Prophet or Messiah? Miracles. End times.
- Additional life and religion histories, presented in timelines, charts, tables and scannable bullet points.
- A neutral, one-stop reference for people of any or no faith who want to look at the messages of Jesus vs. Muhammad as shown in the Bible and Qur’an.

“As a convert to Islam, . . . I appreciated the fact that the author seems to be neutral in his overall viewpoint. . . . I have not seen another book written in such a straightforward and simple way. . . . I would highly recommend this book.”

— Christi Lyle-Rasheed for *Manhattan Book Review*, ★★★★★

A great gift for humanity.” — Christian Sia; “Crisp and engaging.” — Gisela Dixon; “A great book in the area of philosophy and spirituality.” — Divine Zape; “Almost a marvel, mind-boggling to imagine how St Michael was able to produce such a work. Relying upon the texts to speak for themselves, St. Michael has provided us with the essential messages of both religions.” — **David Cook, Ph.D.**, assistant professor of religious studies specializing in Islam at Rice University, author of *Understanding Jihad*

“For readers of either faith, such a lucid and unbiased record of the points of commonality and disagreement between Jesus and Muhammad is sure to be educational. And the entire book is scrupulously sourced, adding to the general air of transparency and scholarly rigor. . . . An exhaustive compilation of immense theological value, especially as a prologue to future study.” — **Kirkus Reviews**

“St Michael presents an interesting, useful and new approach to the comparative study of Christianity and Islam. A valuable handbook for anyone.” — **Dr. William J. Neidinger**, archaeologist and historian associated with the Texas Foundation for Archaeological & Historical Research
